Decodable story

We packeded the van and went camping. Dad parkeded next to a creek. Mum was setting up the tent. I was helping her. Then we started cooking on the fire. We roasted corn and toasted bread. At night we looked up. The stars were shining. A possum was sitting in a tree, watching us. I smiled and yawned. Then I crawled into my sleeping bag.

Read it 3 times. Colour a star each time.
